

Check Out The Love

Helix

Love me or leave me
That is your choice
Check out the love in me

Don't have much money
Just good lovin' honey
Check out the love in me

Tell me what do you see
In my tight fittin' jeans
Check out the love in me

You just might be surprised
At what you might find
Check out the love in me

You gotta check out the love in me babe
Check out the love in me
Check out the love in me babe
Check out the love in me

Better make up your mind
Cause i don't have much time
Check out the love in me

Can i take ya home tonight
It's gonna be all right
Check out the love in me

You gotta check out the love in me babe
Check out the love in me
Check out the love in me babe
Check out the love in me

What's it gonna be girl
What's it gonna be girl
What's it gonna be girl
What's it gonna be
What's it gonna be
Is it him or me

What's it gonna be girl
What's it gonna be girl
What's it gonna be girl
What's it gonna be
What's it gonna be
Is it him or me girl

You gotta check out the love in me babe
Check out the love in me
Check out the love in me babe
Check out the love in me
