Dirty Dog

Helix

Got a new dance and it goes like this
It's the 82 version of the peppermint twist
Well, you get real loose and you let yourself go
Your body goin' crazy to that rock 'n' roll

Get down, get dirty
Get down, get dirty
Do the dirty dog

Come on now baby won't you give me a chance
I don't want no excuses, I just wanna dance
'Cause I feel so good when I'm outta control
My body goin' crazy to that rock 'n' roll

Get down, get dirty
Get down, get dirty
Do the dirty dog

Oh, that's right honey
Oh yeah, that feels good
Oh, do the dirty dog

Got a new dance and it goes like this
It's the 82 version of the peppermint twist
First, you get real loose and you let yourself go
Your body goin' crazy to that rock 'n' roll

Get down, get dirty
Get down, get dirty
Do the dirty dog
The dirty dog
The dirty dog
Get down, the dirty dog
Get down, the dirty dog
The dirty dog
The dirty dog
The dirty dog
