

Give It To You

Helix

I need love
Need your love
It's the only thing
I just can't get enough
Everyday
Everynight
Well, here i come again
So hold on tight
Feel the rythum
Taste the wine
Let me do it to ya honey
Just one more time
Cause if it's love
That you want
Gonna give you everything
Everything i got
I'm gonna give it to you
Give it to you
I'm gonna give it to you
Give it to you
Every single drop
Of love i've got
I'm gonna give it to you
Ohh, if you need love
I'm the one
Well, just pull the trigger
Of my honey gun
Shootin' straight
My aim's true
Special delivery
Ooh, just for you
I'm gonna give it to you
Give it to you
I'm gonna give it to you
Ooh, yeah you
Everything i got
Got to give
I'm gonna give it to you
You know just what i'm gonna do
I'm gonna give it to you
Take you to the limit
I'm gonna give it to you
And i'll be lovin' every minute
Every single day, til the day i die
I'm gonna give it to you
I like the slinky kinda way you unwind
Flesh on flesh, yours on mine
Let's do it til we're black and blue
I'm gonna give it
Ooh, give it to you
I'm gonna give it to you
I'm gonna give it to you
I'm gonna give it to you
I'm gonna give it to you
I ain't never gonna stop
Lovin' you
Ooh, it's true

I'm gonna give it, give it, give it, give it
Give you every inch of my love
Gonna give it to you
Every drop of my love
I'm gonna give it to you
Everything that i've got
Gonna give it to you
I'm gonna take it to the top
I'm gonna give it to you
