

# House On Fire

Helix

Oh, lets go

Open the door  
Come inside  
Won't you feel my heat

This house is on fire  
Burnin' up

It's a shakin' disease  
Make me weak in the knees  
I can't hold back

This house is on fire  
Burnin' up

So hot  
I can't stop  
I can't get enough  
One taste  
Don't waste  
The time we have because

This house is on fire  
Burnin' up  
This house is on fire  
Burnin' up  
Yeah, this house is on fire  
Burnin' up  
This house is on fire  
Well burnin' up

I'm out of control  
But don't be alarmed  
I'm just havin' fun

This house is on fire (Hahaha!)  
Burnin' up
