

No Rest For The Wicked

Helix

Workin' hard all day long, just singin' my crazy song
I get no rest. i get no rest

On the road for forty days, lordy lord my minds in a
haze
I get no rest. i get no rest

But i'm sure havin' lots of fun
Devils work is never done

Ain't no rest for the wicked
Ain't no rest for the wicked
Ain't no rest for the wicked
Ain't no rest for a rock n' roll band
No

When my time has come, don't shed no tears
In this life i've lived a million years
I get no rest. i get no rest

When i'm down below, gonna spend my time
In a helluva band, workin' overtime
I get no rest. i get no rest

Pick up my guitar and start to play
This is all that i've got to say

Ain't no rest for the wicked
Ain't no rest for the wicked
Ain't no rest for the wicked
Ain't no rest for a rock n' roll band

Ain't no rest for the wicked
Ain't no rest for the wicked
Ain't no rest for the wicked
Ain't no rest for a rock n' roll band

Ohhh, right!
Workin' hard all day long, just singin' my crazy, crazy
song
I get no rest

On the road for forty days, lordy lord my minds in a
haze
I get no rest. i get no rest

But i'm sure havin' lots of fun
Devil's work is never done

Ain't no rest for the wicked
Ain't no rest for the wicked
Ain't no rest for the wicked
Ain't no rest for a rock n' roll band

Ain't no rest for the wicked
Ain't no rest for the wicked
Ain't no rest for the wicked

Ain't no rest for a rock n' roll band
No!

Ain't no rest
I get no rest
