

The Kids Are All Shakin'

Helix

Down in New York City
All the way to L.A.
Boys and girls are gonna shake it
Yeah, each and every day

Cause you know that rock n' roll
It's got that special sound, uh-huh
Every thug in every city
Is a rock n' roll town

Turn on
Turn on the radio
Turn on
Turn on to me
Turn on
Turn on the radio
Hear me callin' on your local DJ

Have you heard the news today
The kids are all shakin' in the U.S.A.
Have you heard the news today
Well, the kids are all shakin' in the U.S.A.

Shakin'

Gotta letter came from Poland
In the morning mail
Said I'd like to thank you
More than you can ever tell

Gonna shout around the world
Gonna shout across the land
Kids are all the same
How can they understand

Turn on
Turn on the radio
Turn on
Turn on to me
Turn on
Turn on the radio
Hear me callin' on your local DJ

Yeah, yeah

Have you heard the news today
Yeah, the kids are all shakin' in the U.S.A.
Have you heard the news today
Well, the kids are all shakin' in the U.S.A.
