

Thoughts That Bleed

Helix

Livin' for a dream
It has spoken
To my heart
Follow me follow me follow me
And in the city lights
People calling
There's no one there
Can it be can it be can it be
I look up to the stars
See one falling
From above
Like a diamond in a velvet glove

Chorus

You know my thoughts don't flow they bleed
And so you live
Ya gotta live for what you believe tonight

Livin' for a dream
It has spoken
To my heart
Follow me follow me follow me
Sit alone with me
For a moment
Light the light
I have things I want to say to you tonight
She wears a sad face
Such a sad face
And I know that I never want to let her go

Chorus
