

You Keep Me Rockin'

Helix

No money, no illusions
Just need a rock n' roll transfusion

You're the one, you get me high
When times are tough you always get me by

Just wanna say, thanks alot
You'll always be the best freinds we've got

So here's to you, I'll raise me glass
Gonna raise hell, gonna kick some ass

You Keep Me Rockin'
Yeah you
You Keep Me Rockin'
Ain't that the truth
You Keep Me Rockin'
Yeah you
You Keep Me Rockin'
Yeah you, you're the one
You keep me rockin' all night long

Sometimes it's so hard
My body's weiry and my soul feels gone

I see your face and then I know
Ain't gonna stop until I give some more

You give me strength to carry on
So here's to you now here's your song

Gonna rock, what time for you?
Cause you're the one that always pulls me through

You Keep Me Rockin'
Yeah you
You Keep Me Rockin'
Ain't that the truth
You Keep Me Rockin'
Yeah you
You Keep Me Rockin'
Yeah you, you're the one
You keep me rockin' all night long
You Keep Me Rockin'
Yeah you
You Keep Me Rockin'
Ain't that the truth
You Keep Me Rockin'
Yeah you
You Keep Me Rockin'
Yeah you, you're the one
You keep me rockin' all night long
You keep me
You keep me
You keep me
You Keep Me Rockin'
Yeah you

You Keep Me Rockin'
Ain't that the truth
You Keep Me Rockin'
Yeah you
You Keep Me Rockin'
