

# Inside

Hell Is For Heroes

Clear the past, it's come to nothing  
Start again from the end  
Peel the skin, taste the inside  
Take it all  
Take it all  
Decorate your skin  
With the blood we she'd  
Your simply now  
Don't push it away  
Decorate your heart  
All the tears we she'd  
Prove your idols wrong  
Just push it away  
Still the time, your blind  
Prison dress doesn't go  
Its all the same  
We share the pudding  
Say the word  
Say the word  
Decorate your skin  
With the blood we she'd  
Don't push it away  
Dedicate your heart  
Your simply now  
Don't push it away  
All the tears girls she'd  
Prove your idols wrong  
Its hard to tell  
Whos the victim  
Everyone is a slave  
Its hard to find  
Escape from freedom  
Play the game  
Play the game  
Decorate your skin  
With the blood we she'd  
Your simply now  
Don't push it away  
Decorate your heart  
All the tears we she'd  
Prove your idols wrong  
Don't push it away
