

## This Is Why

## Hell Is For Heroes

Gods knows  
That it heavy and cold  
Rather dark but still clean  
It's not a mutual ...  
It's enough to get real  
When you know it's just a dream  
When your awake it all clean  
Paracites grow  
What's it all for  
Final frontiers  
Gonna step up  
And break them  
There comes a time it's over  
Withnesing final curtain  
Welcom back messais  
It's coming round again  
...
