

# I Want It All

## Hell or Highwater

I spent my time picking up pieces of the treasure you left behind

I'm tired of [?] my people in line, in line  
If you can make it on your own, it's my time

I want it all, all you've got to give  
I want it all, gimme all of it

I throw my penny down the [?] in the dream that you left behind  
[?] only treason leaving me oh so high and dry

If you can make it on your own, it's my time

I want it all, all you've got to give  
I want it all, gimme all of it

I spent my time picking up pieces of the treasure you left behind

I want it all, all you've got to give  
I want it all, gimme all of it  
Hey! I want it all!  
I want it all, gimme all of it  
Yeah! I want it all!
