

# Lighter Than Air

Hell or Highwater

Maybe we go it alone from here  
We won't misstep  
Maybe we try it on our own from here  
When we see clear

I wanna know where we've been hiding  
I wanna see where you've been standing on air  
Lighter than air  
Oh yeah  
Lighter than air

I think I need to find a place to get my head clear  
I lost my way  
Been trying to practice what I preach  
Been hard to teach  
As the minutes pass like days

I wanna know where we've been hiding  
  
I wanna see where you've been standing on air  
Lighter than air  
Oh yeah  
Lighter than air

Make no mistake about it  
I've come to cleanse my soul  
If change is good  
Maybe we could begin to save our souls

I wanna know where we've been hiding  
I wanna see where you've been standing on air  
Lighter than air  
Oh yeah  
Lighter than air  
Oh yeah  
Lighter than air  
Oh yeah  
Lighter than air, yeah
