

Power of Satan

Hellhammer

Horrible things
Have to be done
Clouds in the sky
Away is the sun
I'll be the tormentor
On Satan's command
The victims will die
I'm the master's left hand

I know the tower
Where the sorcerer's at home
I feel the power
Of Satan in my soul

Havoc and hate
My weapon's my mate
I'm a soldier of death
I'm killing for hell
Blood lust I feel
My axe is from steel
I'm a hero of fighting
And I know it so well

Torture I'll bring
A devilish thing
Black is the sky
The nightmare will come
The moon is shining bright
It's the only light
My legions will fly
Fly for the nig
