

# Shit

Hellion

So you had a couple of heart breaks  
Dude! That was your mistake!  
Is this how, how you treat your good friend?  
Your lies are coming to an end!

You're a legend, a legend in your own mind!  
Such a legend, a legend in the lunch line!  
I'm tired of hearin' stories  
About all the things you're gonna do  
Mr Opportunity!

Shit is gonna hit the fan --- let if fly  
Shit is gonna hit the fan --- all night long you know  
Shit is gonna hit the fan --- you got to make it fly now  
Shit is gonna hit the fan --- all night long

Joe spectator, Mr. Masturbator  
Tired of hearin' stories  
Hell it's getting thick in here!  
Rowing round with one oar  
Who the hell the stories for?  
Your lies are coming to an end  
You're a dog without a bone  
Barking up the wrong tree  
Lights are on, but nobody's at home  
Rowing round with one oar  
Now who the hell's your story for?  
Mr. Opportunity

Shit is gonna hit the fan --- let if fly  
Shit is gonna hit the fan --- all night long you know  
Shit is gonna hit the fan --- you gotta believe that  
Shit is gonna hit the fan --- all night long

Too much talkin' and not enough action  
Gotta make yourself available  
You wonder why you get a bad reaction  
Gotta be relia-BULL!

Shit is gonna hit the fan --- let if fly  
Shit is gonna hit the fan --- all night long you know  
Shit is gonna hit the fan --- you got to make it fly now  
Shit is gonna hit the fan --- all night long
