

## Overall

Hello Saferide

Overall, I think we did a good job  
We did the best we could, I think we did the best we  
could  
Overall, we couldn't have done much else  
I think we pulled it off, I always thought we pulled it  
off  
I always thought we pulled if off

Days and nights we were a shoulder to cry on  
Weren't we, weren't we?  
Smiling eyes that screamed "confide in me", that was  
you and me  
Weren't we, weren't we?

It couldn't be our fault, we never said anything  
political  
Sure you worked late some nights  
I always thought you could have breast-fed him longer  
than you did  
(But we let him in) Not enough but I let him in

Overall, I think we did a good job  
We did the best we could, I think we did the best we  
could  
Overall, we couldn't have done much else  
I think we pulled it off, I always thought we pulled it  
off  
I always thought we pulled if off

I've got my calender here he was sick back in '92  
The week when they had history on World War Two  
You never should have got him that video game for  
Christmas  
They shoot people in that game, pixled people without  
names

Overall, we've always done as they say we should have  
Haven't we, haven't we?  
We always smiled, we hid all issues away  
Didn't we, didn't we, didn't we?

You know the new receptionist at work, she's a jew  
She could visit, he could see she could be me or you  
And bring the gay guy downstairs, he doesn't look gay  
at all  
We broke something without knowing, but we did a good  
job overall  
Didn't we, didn't we, didn't we?

We always smiled, we hid all troubles away  
Didn't we, didn't we?  
What will the neighbours say maybe that shaved hair  
will grown back  
Or grandma will have a heart attack
