

# The Best Night Of Your Life

Hello Saferide

I saw you as soon as you entered the door  
I knew I was right not to leave before  
From this stupid masquerade party we're at -  
Yeah yeah yeah

I came here dressed like Audrey Horne and  
You came here dressed like Salieri  
Well Amadeus is making out with Joey Ramone

Don't think we've met!  
Only in my dreams ev'ry night  
Well nice to meet you  
I won't let you out of my sight  
Oh no that's wrong  
Then how could it feel so right  
You don't know it yet but it's the best night of your life  
Aaaa

I hear your voice, boy it's dark as the devil's  
Why are you standing there talking to Pebbles?  
And I've got a penguin checking me out  
Yeah, yeah yeah

You've got the sad eyes of a poet  
I know all of that is bullshit  
I've seen that you got a carpenters hands

I've got to go!  
Don't act older than you are  
But I've got work  
Get working and go to the bar  
I've got a girlfriend  
She doesn't have to know where you are  
You don't know it yet, but it's the best night of your life  
Aaaa
