

99 Ways

hello

Tell it to you straight
What I'm gonna do
About my 99 ways
Of making love to you
And if you wanna put me down
Well I'll try to explain
Gonna get right up
And start all over again

I've got 99 ways
I've got 99 ways
I've got 99 ways
To make you mine
And if you tell me no
I'll try it one more time

Ain't no use in running
There's no way to escape
I've got a private eye watching
Every move that you make
You can sail across the ocean
Fly in a plane
But get ready, I'm coming
Here I go again

I've got 99 ways
I've got 99 ways
I've got 99 ways
To make you mine
And if you tell me no
I'll try it one more time

99, 99 ways
99, 99 ways
99, 99 ways
99, 99 ways
99 (99) 99 ways
99 (99) 99 ways
99 (99) 99 ways, ooh

All across China to the USA
From New York down
To San Francisco Bay
I can make you a promise
I'm gonna make it a date
But if I miss this time
I've still got 98

I've got 99 ways
I've got 99 ways
I've got 99 ways
To make you mine
And if you tell me no
I'll try it one more time

99 ways (I've got 99 ways)
I've got 99 ways (99 ways)

I've got 99 ways (99 ways)
I've got 99 ways, whoo.
