

Ask Your Mama

hello

I know your mama thinks I'm a clown
You bring me up and she puts me down
She tries to change me but I refuse
If only she could stand inside my shoes

So ask your mama
Can you come out tonight
Ask your mama (ask your mama)
Say everything will be all right
Say I'm not so bad
That she's making me so sad
You seem so far away
Ask your mama
Can you have your way

She said they should have made me the queen
So I got long hair but at least it's clean
I know she doesn't like the things I wear
But if you ask me I don't think it's fair

So ask your mama
Can you come out tonight
Ask your mama (ask your mama)
Say everything will be all right
Say I'm not so bad
That she's making me so sad
You seem so far away
Ask your mama
Can you have your way

So ask your mama
Can you come out tonight
Ask your mama (ask your mama)
Say everything will be all right

Ask your mama
Ask your mama
Ask your mama
Ask your mama

Ask your mama
Ask your mama
Ask your mama ...
