C'mon

If you thought I'd leave
And I had something up my sleeve
Well, you're wrong
If you thought I'd go, well
There's something you should know
You're wrong
Got no need to doubt it
Gonna tell the world to shout it
C'mon

C-c'mon, c-c'mon, c-c'mon
C-c'mon, c-c'mon

Been a long time living
And it's better when you're giving
Oh, yeah
It's a long time waiting
And it's longer when you're hating
Oh, yeah
It's been a long time losing
Why do you keep refusing
C'mon

C-c'mon, c-c'mon, c-c'mon
C-c'mon, c-c'mon, c-c'mon
C-c'mon, yeah

Been a long time living
And it's better when you're giving
Oh, yeah
It's a long time waiting
And it's longer when you're hating
Oh, yeah
It's been a long time losing
Why do you keep refusing
C'mon

C-c'mon, c-c'mon, c-c'mon
C-c'mon, c-c'mon, well c'mon

C-c'mon, c-c'mon, c-c'mon
C-c'mon …
