

Carol

hello

Going to my machine
So we can cruise on now
I'm gonna sing a little jangle
We can jump and shout
It's got to fall back on the holly
It's a long ride
You park your car out in the open
You can walk inside

A little cutie takes your hat
And you can thank her ma'am
Every time you make the scene
You find the joint is jam

Oh, Carol
Don't let him steal your heart away
But I'm going out to dance
We can jam all night and day

But if you wanted some music
Let the boys play
Hold tight catch your foot
Don't let it carry away
Don't let the heat overcome you
When you play us aloud
Although the music can take you
When you get a crowd

If you can't dance on, no no
Oh you wish you could
I've got my eyes on you sugar
Don't you dance good

Oh, Carol
Don't let him steal your heart away
But I'm going out to dance
We can jam all night and day

Don't let him steal your heart away
But I'm going out to dance
We can jam all night.
