

## Good Old Usa

hello

New York beauties really can't be beat  
Russian rollers bounce me off my feet  
Paris fashions they hit the news, but  
We're gonna shock the states  
Honey, me and you

Gotta get back to the good old USA  
Gotta come home to your american ways  
Gotta get back to the good old USA

When in Rome do as the Romans do  
Back in Vegas take a gamble or two  
Soho London really ain't so square  
Grand Central Station kid  
Jive with me right there

Gotta get back to the good old USA  
Gotta come home to your American ways  
Gotta get back to the good old USA

Good old U-S-A, USA  
Good old U-S-A, USA  
USA, USA, USA, USA  
USA, USA, USA, USA  
USA, USA, USA, USA

Gotta get back to the good old USA  
Gotta come home to your American ways  
Gotta get back to the good old US

Gotta get back to the good old USA, USA  
Gotta come home to your American ways  
American ways  
Gotta get back to the good old US

Gotta get back to the good old USA, USA  
Gotta come home to your American ways  
American ways  
Gotta get back to the good old US

Gotta get back to the good old USA ...
