

Keeps Us Off The Streets

hello

Off the streets, out in the ally
The boys they're getting back to school
Off the streets, the love's all sunny
Get back to rock'n'roll

Hey kids, know you're with us
Go to crash land and get some things
Hey kids, you're all so pretty
It won't be funky game

Keeps us
Keeps us off the street
Keeps us
Keeps us wild
Keeps us
Keeps us off the streets
Keeps us so satisfied

Keeps us
Don't you know that it keeps us?
Keeps us
Don't you that it keeps us?
Keeps us boys so alive

Off the streets, out in the ally
Keep the boys they're getting back to school
Off the streets, the love's all sunny
Get back to rock'n'roll

Keeps us
Keeps us off the streets
Keeps us
Keeps us wild
Keeps us
Keeps us off the streets
Keeps us so satisfied

Keeps us
Don't you know that it keeps us
Keeps us
Don't you know that it keeps us

Keeps us boys so alive

Keeps us
Keep us off the streets
Keeps us
Keeps us wild
Keeps us
Keeps us off the streets
Keeps us so satisfied

Keeps us
Keeps us off the streets
Keeps us
Keeps us wild
Keeps us

Keeps us off the streets
Keeps us so satisfied

Keeps us
Keeps us off the streets ...
