

The Wench

You gotta love
Our heaven above
You can't break a
Heart fast enough
I'm come
I wanna run
You're not the good job
Upside down

You want deep
And you don't please
You won't love me
But please don't go
I loved you
I worry about you
And yet I let your
So called love

She moves
She grooves me
She glides
Slides and slides
She walks
Right out
And she gets
Inside always

It's like a dream
It's not right
I tried to break you
All right
Tried to cope
By calling up
You can't stay up
Heartbreaker.
