

You Move Me

hello

You, you move me
Feel it in my heart
Feel it in my very soul
You, you got the body movement
And I won't stop time
'Til I bring you too

You, you make me
You can make me moan
You can make me feel so hot
You, you got the body shake me
And I won't stop time
'Til I shake you too

Won't stop tryin'
I won't stop tryin'
Won't stop tryin'
I won't stop tryin'
Won't stop tryin'
'Til I move you too
(Alright, whoo)

You, you move me
You could make it rain
You could change the time of day
You, you got the body shook me
And I won't stop trying
'Till I shook you too

Won't stop tryin'
I won't stop tryin'
Won't stop tryin'
I won't stop tryin'
Won't stop tryin'
'Til I move you too

Come on
Won't stop tryin'
I won't stop tryin'
Won't stop tryin'
I won't stop tryin'
Won't stop tryin'
'Til I move you too

Won't stop tryin'
I won't stop tryin'
Won't stop tryin'
I won't stop tryin'
Won't stop tryin'
'Til I move you too
(Ho!)
