

# Escape

Hellogoodbye

You can run, you can hide  
But you can't escape my love  
You can run, you can hide  
But you can't escape my love  
Here's how it goes, you and me  
Up and down but maybe this time  
We'll get it right, worth a fight  
'Cause love is something you can't shake  
When it breaks all it takes is some trying  
If you feel like leaving  
I'm not gonna make you stay  
But soon you will find that  
You can run, you can hide  
But you can't escape my love  
But you can't escape my love  
You should know, it's too hard  
It's too hard just to forget the past  
So fast, in the end it was good  
But it was real but that's all it takes  
In the end, all that mattered  
If you feel like leaving  
I'm not gonna make you stay  
And soon you will find that  
You can run, you can hide  
But you can't escape my love  
But you can't escape my love  
Here's how it goes  
All it takes is some trying  
If you feel like leaving  
I'm not gonna make you stay  
But soon you will find that  
You can run, you can hide  
But you can't escape my love  
But you can't escape my love
