

## Figures A And B

Hellogoodbye

Present for a presentation presented presently  
There's no "I" in team, no "me" in us, no "you" in we  
I'll write down letters inside letters but I can't let her see  
Pass them foreword with a forward but they won't mean a thing

Treasure torn out paper from the corner of a page  
Measure worn out epigrams for signs of change with age  
A figure out that figurative Of Figures A and B  
Images I imagined with pretty imagery (means you and me)

(You and me) We could be made for this  
(Wait and see) We might be made for this  
(You and me) We could be made for this  
Wait and see  
(oh) Just wait and see

It's so far away but I've planned a date  
And that's at least a start to get inside your heart  
It might be you and me (oh) we could be a team  
It might be you and me just wait and see (oh)

(You and me) We could be made for this  
(Wait and see) We might be made for this  
(You and me) We could be made for this  
wait and see  
(oh) just wait and see

(You and me) we could be made for this  
Wait and see  
We might be made for this (you and me)  
We could be made for this  
wait and see oh just wait and see  
It could be you and me oh oh wait and see  
It could be you and me oh oh wait and see oh
