

Phantoms of Death

Halloween

There are phantoms here on earth who take away our lives
They kill your kids and they rape your wives
They rip your flesh tear your heart take you down to hell
They don't give a damn on any kind of life

Phantoms bring evil, destruction and death
Night after night the same old game
They all look so harmless but deep in their hearts
Satan is lurking, and he will break out

Always someone at your back only waiting to attack

Phantoms of death, Phantoms of death

The empire of deceivers is built upon your fear
You'll have to lose it 'cause the end is near
Warheads, armies stand to strike I know it isn't right
I wanna get out of here I don't wanna die

Infernal destruction of fire you'll burn
Then you'll be helpless but it's not too late
Stand up right now and you'll be the winner
Or Satan will get you, take you forever

Genocide everywhere, where's the saviour of this world

Phantoms of death, Phantoms of death

Where is he the promised saviour the one who'll save the earth
Perhaps he'll come to bury us but then it'll be too late
Who are they who are the phantoms who will end our lives
It's you and me, you and me open up your eyes

Phantoms bring evil, destruction and death
Night after night the same old game
They all look so harmless but deep in their hearts
Satan is lurking, and he will break out

We are all parasites of this world we shall die

Phantoms of death, Phantoms of death
