

# The Invisible Man

Halloween

I am the one who wants to show...you a secret of your cheating world  
Wherever I will go - no one can see me 'cause I'm the invisible man  
I'm a creature with one goal: rise up to heaven when the time has come  
I have no body but a soul... Gods law is written on my way, for ever

Time by time I think it's over  
The malediction I have got when the world was young  
I've been captured in the name of God to save people, but who cares?  
Since a thousand years until the holy land will come

Here I am the invisible man  
A lost fallen angel helping mankind where I can  
My memories are there to save your world  
For you I'm the invisible man

There's the destiny you don't know  
I'm a guardian angel and wherever you'll go  
You fight through your life not alone  
You can't hear me, nor see me but trust the holy flow

Here I am the invisible man  
A lost fallen angel helping mankind where I can  
My memories are there to save your world  
For you I'm the invisible man...
