

# This Is Tokyo

Helloween

Flying 10,000 miles, leave half the world behind  
Into an epic realm where futures will unwind  
You're one in a million to me  
Yeah, one in a million

This is Tokyo  
Wanna be there for a thousand nights (Tokyo)  
City that growls and rarely bites (it bites)  
Visual ecstasy, too big to ever know  
This is Tokyo  
Visit Roppongi every night (Tokyo)  
Where we have learned to say Kanpai (Kanpai)  
I thought we were to die  
And yet I love it so  
For me, this is Tokyo

Flow with the masses in Shibuya 'til the show  
Digging through endless stores above and down below  
You're one in a million to me  
Yeah, one in a million

This Is Tokyo  
Wanna be there for a thousand nights (Tokyo)  
City that growls and rarely bites (it bites)  
Visual ecstasy, too big to ever know  
This is Tokyo

Where we played wow and so-so shows (Tokyo)  
Where we have faced the quakes so close (so close)  
I thought we were to die  
And yet I love it so  
For us, this is Tokyo

You're one in a million  
Yeah, one in a million  
This is Tokyo  
Wanna be there for a thousand nights (Tokyo)  
City that growls and rarely bites (it bites)  
Visual ecstasy, too big to ever know  
This is Tokyo  
Visit Roppongi every night (Tokyo)  
Where we have learned to say "Kanpai" (Kanpai)  
I thought we were to die  
And yet I love it so  
For me, this is Tokyo  
Tokyo oh oh oh oh oh  
Tokyo oh oh oh oh oh  
Tokyo oh oh oh oh oh
