

Be Unden!able

Hellyeah

Be undeniable
Be undeniable

Nobody else can do like hellion can do it,
I make it a point to exclaim
and I'm here to prove it,
Straight out of a gutter broken poor
and abused,
I'm a son of a bitching mess
but I ain't gonna lose.

Go ahead and call me insane,
Never ever crossed my mind
to be conventional,
Don't know why I'm built this way,
I'm a little bit of a mess,
but I've never been a criminal.

Push out, pushed down, pushed around,
I'm in, I'm ready to fight
Stand up, stand out, stand my ground,
I'm out, I'm dropping the mic.

Be undeniable
My middle fingers are up because I've got 'em'.
If you're tired of being denied
be undeniable and dot your Is on the bottom.
Be undeniable
I'm coming in hot and full throttle.
If you're tired of being denied
be undeniable and dot your Is on the bottom.

Be undeniable

I'm outta my fucking mind
and that's all there is to it.
You better get me on a stage
'cause I'm about to lose it.
Pressures building up like a blast from a gun,
You can stick a fork in me
'cause I'm over it done.

I'm gonna live my life way,
It's just who I am it's how I gotta do what I do,
I'll go ahead and take the blame,
I've got a bad attitude and
I'm thinking I got a screw loose.

Push out, pushed down, pushed around,
I'm in, I'm ready to fight.
Stand up, stand out, stand my ground,
I'm out, I'm dropping the mic.

Be undeniable
My middle fingers are up because I've got 'em.
If you're tired of being denied
be undeniable and dot your Is on the bottom.

Be undeniable
I'm coming in hot and full throttle.
If you're tired of being denied
be undeniable and dot your Is on the bottom.

(4x)
You don't want it,
you just take it,
You gotta want it,
you've gotta just be undeniable

I'll dot your eyes. I've got a problem,
My middle fingers are up because I've got 'em.
If you're tired of being denied
be undeniable and dot your Is on the bottom.

Be undeniable
I'm coming in hot and full throttle.
When you're tired of being denied
be undeniable
and dot your Is on the bottom (2x)

You want it, you want it,
you take it,
you want it, you want it,
you want it, you take it!

Dot your Is on the bottom!
