

Demons in the Dirt

Hellyeah

I'm pro pain and I'm pro rage
So fuck everything when I'm on the stage
I live to be pro everything that you're against
I drink like I bleed, I smoke the weed
I partied like a pro since I was a seed
Fuck the normalcy
I'll do it 'til I'm dead
If I'm in a rut down on my luck
Punch you in the face, take your money away
Because I'm Insane and I just couldn't give a fuck
Break all your shit and laugh in your face
When you're in a place and you need my aid
So selfish that I'll kill myself for fun
Put my demons in the dirt (down done)
In the dirt dead
Demons in the dirt (down done)
Fucking buried
Demons in the dirt (down done)
In the dirt dead
When I'm dead & done (in the dirt)
Fucking buried
You can be pro life but I'm pro death
and I'll be that way 'til my last breath
Wasn't who I was but it's just who I've become
I just grit my teeth as I start to seethe
All the motherfucking people that I can't believe
I don't feel complete unless I'm spilling blood
It's just a game that I love to play
When you make a mistake and you miscalculate
Then you break your leg I gotta laugh
I'm fuking nuts
I've got no respect for a world that's wrecked
And i won't accept all it's defect
It'a all over finished, ruined, fucking done
Put my demons in the dirt (down done)
In the dirt dead
Demons in the dirt (down done)
Fucking buried
Demons in the dirt (down done)
In the dirt dead
When I'm dead & done (in the dirt)
Fucking buried
Demons in the dirt
When I'm dead and buried
Put my demons in the dirt
When I'm done
The demons in the dirt
When I'm dead and gone
Put my demons in the dirt
I'm pro rage
I love to hate I've got no respect
Fuck my fate I've got no regrets
There's no remorse for my recourse
When the world's in my way
I feel the weight and bring the hate
Put my demons in the dirt (down done)
In the dirt dead

Demons in the dirt (down done)
Fucking buried
Demons in the dirt (down done)
In the dirt dead
When I'm dead & done (in the dirt)
Fucking buried
Demons in the dirt
When I'm dead and buried
Put my demons in the dirt (down done)
When I'm done
The demons in the dirt
When I'm dead and gone
Put my demons in the dirt (down done)
I'm pro rage
When I'm dead and done in the dirt
Fucking buried
The demons in the dirt
Dead and done
