

## Street Crab

Helmet

First I'll panic quick and listen  
To advice  
Agree to anything and try to be  
Too nice then my skin flakes, another allergy  
I'm not making sense, just  
Ignore me

Thirst I had at last  
Run the water  
Shut my mouth and run past  
What's the matter?  
Street crabs buy in fast  
Infect the water

Safe and sound like the perfect food  
Ice the beer, it's easy to feel good  
What was that you said? I thought  
I heard my name but  
Every street crab will push the  
Vowels the same

Thirst I had at last  
Run the water  
Shut my mouth and run past  
What's the matter?  
Street crabs buy in fast  
Infect the water
