

Wilma's Rainbow

Helmet

You heard about, "Be your own man"
You talk a lot and loud
Illustrate the obvious boy
You're mentally endowed

Watershed year comes
You flush with fever
The richest junk dealer

Honestly, a book you read once
Let you think in rhymes
The old extreme sits pale and molds
Now for the millionth time

Wilma's rainbow
Of peaceful colors
The richest junk dealer

Wilma's rainbow
Of peaceful colors
The richest junk dealer
