

## Leave Me Here

Hem

I should wake up this town  
my heart's on fire  
main road and no one's around  
as the flames climb higher  
i have been here before  
and i know the way  
but love seemed sweeter and sure  
in the light of the day

so as i rise, i will reach for the livin'  
and i'll say no prayer  
cause tonight he brought me to heaven  
and left me here

i could tell by his face  
those two tired eyes  
it's been a long night searching for grace  
now the sun won't rise  
now i have been here before  
though i know i am lost  
cause the same place that filled me with joy  
is just a road i crossed  
just a road i crossed

so as i rise, i will reach for the livin'  
and i'll say no prayer  
cause tonight he brought me to heaven  
and left me here

so as i rise, i will reach for the livin'  
and i'll say no prayer  
cause tonight love feels nothing like heaven  
don't leave me here
