Locked in, homie. I don't ever checkout
Freestyles ain't free
Bring the check out
New song on
They should probably check out
'Cause the bars got lines, like a checkout

And I'm still on the grind
Bring the deck out
Wanna heck?
Go home and get the heck out
New song on
They should probably check out
'Cause the bars got lines, like a checkout

I got flow. What we're tryna be
Progressive
It's my time. Yes. I can be possessive
I'm an MC. Makes sense. I'm obsessive
Quiet those who object. That's the objective

Watch how I bound back. Baby, that reflective
Got it on lock. I'm sure, detective
If it don't work, I work
Never been defective
Flow switch?

Damn. I'm 'a make it monumentus
Game open wide. I don't know no dentist
But I'm 'a fight for this thing tooth and nail
Stand up, guy. I'm the new chappelle
Try to hit me up like Blu Cantrell
'Cause I rap on the beat
Made the beat as well
Feel what I'm saying
Like the beats on Brail
Ya'll paid to be here
Just sheep on bail

Lotta ya'll people just talking that talk
Lotta ya'll people ain't walking that walk
Lotta ya'll people just thought what you thought
I kill it every time
Get caught in that chalk

My words paint pictures
I'm taught with that smock
I grind 'til we're up
Tony Hawk with that hawk
Still ill. Tell me who iller?
Real skill. This ain't no filler
Chill bill. Hit like "Thriller"
K.I.D.S. still. Rest in peace, Mac Miller

Disillusioned? Well, check ya optical
I got some tough skin. The cream is topical
Having patience pays. Ask the hospital

Think we got some beef?
That's impossible

Yeah. You know I'm plant-based with it
My formula won, but they can't race with it
Nah. I don't bite like them
They should bite their tongue
'Til it's numb and they can't taste with it
