

You can see it in my face (Aw yeah, aw yeah)
There's a dream I need to chase (Aw yeah, aw yeah)
And I'm addicted to the race (Aw yeah, aw yeah)
But don't you worry 'bout my pace (Aw yeah, haha)
I'm tryna take the fam on tour (Aw yeah, aw yeah)
It's crunch time, check the core (Aw yeah, aw yeah)
I need a million, maybe four (Aw yeah, aw yeah)
Then run it up, like to score (Aw yeah)

Nothing in life is guaranteed
So I'm working and getting all I need
'Til I reach the finish line, I don't care about speed
I know I'ma succeed, yeah

Yeah, I got the plane from Russ (Aw yeah, aw yeah)
A couple rappers looking sus (Aw yeah, aw yeah)
Team Henny's who I trust (Aw yeah, aw yeah)
Talk is cheap, let's discuss (Aw yeah, haha)
If you ain't get it, that's a [?] (Aw yeah, aw yeah)
5 A.M. is when I get up (Aw yeah, aw yeah)
Pac said to keep ya head up (Aw yeah, aw yeah)
They hold me down, I can't let up (Aw yeah)

Two words I'll never say is I retreat
There's a whole lotta challenges I must meet
Got some demons inside that I'll defeat
Set a goal, manifest, repeat

A lotta goals that I been settin' (Aw yeah, aw yeah)
Until it's gross what I'm nettin' (Aw yeah, aw yeah)
And I don't know why they forgettin' (Aw yeah, aw yeah)
On myself is how I'm bettin' (Aw yeah, hah)
And breaking through, I'll make it shatter (Aw yeah, aw yeah)
'Cause I on listen to the chatter (Aw yeah, aw yeah)
The opposition better scatter (Aw yeah, aw yeah)
And black lives still matter (Aw yeah)

Got a different train of thought, I'ma use my mind
I'm a savage on the beats, but in life I'm kind
Wait for you to give me credit, no, I decline
Architect of my life, I design
Got a different train of thought, I'ma use my mind

Wait for you to give me credit, no, I decline
Architect of my life, I design
