

Do Or Die

Hendersin

I'm it, I'm it
That's Pennywise
Henny gon' do what Henny tries
They gon' sing his praises when he dies
Gotta do it big, not any size
I will not settle, like I'm taking 'em to trial (nah!)
I will not fold, so you can keep your file (nah!)
Out of control, but I still never spiral
Gave 'em an inch, now they try to take a mile
No way, I ain't talking scale shit
I'm all about my green, I'm on that whale shit
Bar bar bar bar bar bar bar bar
Jail shit
Talk a big game, but you only hunting quail shit
Damn, these haters looking so damn sus
Fuck a bandwagon, get a whole damn bus
You're late to the party, don't know who is invitin'
I'm gonna say my piece till there's no point in fighting

I tell you I'm the best, but you deny
You deny, you deny
Yeah, you wanna bring me down, well, you can try
You can try, you can try
'Cause I'm gonna pick me if it's you or I
You or I, you or I
Yeah, put it on my life, it's do or die
Do or die, do or die

I'm all about my paper boy, that's earned shit
Respect they didn't give, I had to earn it
I was born like this, you can't learn it
Forget a seat at the table, I went ahead and turned it
Tell me why do y'all just sound so bitter?
I've been verified, dope, and you just found Twitter
Man your flow's so trash, with your spit so litter
No time to watch you, I'm not sitter, no
It's like they gravediggers, throwin' dirt on my name
Look in the mirror, man, there's no one to blame for you
Not making it except the person looking back at you
Not doing what I want but what I have to do
I'ma be the person keep you on your T-O-E's
I really wish you would, I don't see no trees
I get what I want album 303's
Don't be mad this what I D-O-E's
Please

I tell you I'm the best, but you deny
You deny, you deny
Yeah, you wanna bring me down, well, you can try
You can try, you can try
'Cause I'm gonna pick me if it's you or I
You or I, you or I
Yeah, put it on my life, it's do or die
Do or die, do or die
