

## Down

Hendersin

Why do I overwork  
I'm in [?]  
Sorry to friends I hurt  
With that I used to flirt, yeah  
Lay in bed  
No glass I drink instead  
Liquor went to my head  
Sorry for things I said  
Yo, yo  
Used to party every night, every weekend  
There's a reason me and exes ain't speaking  
I was gone off the liquor I was tweaking  
Didn't realised that love was what I was seeking  
One day I met an angel and she save me  
Then we went and bought a house, had a baby  
Now life never seems to amaze me  
10 years ago, I would have said you're crazy

I been feeling good, good, good  
Who would've [?]  
They said I never could, could, could  
No way  
We went through the pain, pain, pain  
Singing in the rain, rain, rain  
Life seem insane, sane, sane  
Okay  
You won't bring me down  
Won't bring me down, won't bring me down, oh no  
Won't bring me down, won't bring me down, oh no  
Won't bring me down, won't bring me down, oh no  
Won't bring me down  
You won't bring me down  
Won't bring me down, won't bring me down, oh no  
Won't bring me down, won't bring me down, oh no  
Won't bring me down, won't bring me down, oh no  
Won't bring me down  
You won't bring me down

Remember those nights I cried  
Wishing that I would die  
I was afraid to try  
Felt like my life's a lie  
I was young  
Twenty or twentyone  
I used to be so numb  
Didn't know I'd become  
A voice to the young generation  
Caught a break and my heart started breaking  
And no matter what you end up chasing  
Just be yourself 'cause everyone is taking  
One day I met an angel and she save me  
We went and bought a house, had a baby  
Life never seems to amaze me  
10 years ago, I would have said you're crazy

I been feeling good, good, good  
Who would've [?]

They said I never could, could, could  
No way  
We went through the pain, pain, pain  
Singing in the rain, rain, rain  
Life seem insane, sane, sane  
Okay  
You won't bring me down  
Won't bring me down, won't bring me down, oh no  
Won't bring me down, won't bring me down, oh no  
Won't bring me down, won't bring me down, oh no  
Won't bring me down  
You won't bring me down  
Won't bring me down, won't bring me down, oh no  
Won't bring me down, won't bring me down, oh no  
Won't bring me down, won't bring me down, oh no  
Won't bring me down  
You won't bring me down
