

Gone

Hendersin

If you know about me, well you know that I'ma thrive
If you showin' up for life, well you know I will arrive
If we talkin' goin' in, well you know that I'ma dive
And I kill 'em all with kindness, yeah I feel alive
I ain't talkin' 'bout "I", no, I'm talkin' 'bout "we"
If you talkin' 'bout the fam, then you talkin' 'bout me
If you talkin' 'bout time, don't be talkin' 'bout free
If we talkin' 'bout drive, well I'm never on "E", nah

Going, going
No, I'm not stoppin'
Going, going
Losing's no option
Going, going
Oh yes, I'm locked in
Going, going, gone
Going, going
You think I'm breakin'
Going, going
You'd be mistaken
Going, going
My path I'm makin'
Going, going, gone

I'm feelin' better now, yeah I'm so Malone
And they know I give 'em bars, so they hold the phone
Feelin' like a new man, yeah I hold my own
Try to leave me behind like Home Alone
'Cause I kept it on the real, you would think I am fishin'
Radio is not the wave, yeah that's no transmission
They react to my life, complex ambition
Try to take what's mine, you gon' get your hand missin', ah

Going, going
No, I'm not stoppin'
Going, going
Losing's no option
Going, going
Oh yes, I'm locked in
Going, going, gone
Going, going
You think I'm breakin'
Going, going
You'd be mistaken
Going, going
My path I'm makin'
Going, going, gone

If it don't work, I retry
You don't me like T.I
I been this way since knee-high
Visionary, you gon' see why
