

Hanson

Hendersin

Go big or go home, enhancing
I seen ya'll looking, y'all glancing
I stay with a bar like Danson
I slide on the beat, I'm dancing
I came with a bop like Hanson
This flow ain't free. No lancing
Put on a dope show like Manson
I been it, I'm chancing
I came with a bop like

You know me. Gotta get it like Derry
Ya'll just hang around scrubs like Perry
Way ya'll rap and cap is scary
Don't burn bred lack toast like dairy

Ya'll can't come for the crew like Terry
Do it like me. Well, results may vary
Every single thing I does is a labor of love
On the beat I, I carry

Packing a punch
Like I was packing a lunch
Been goated like Brady. So, I'm back with a bunch
Of new slaps in fact. Well, I rap with a hunch
A gut-wrenching ascension attacking a crunch

Gotta keep it moving. No missteps
Married to the game. Take no miss steps
You stop and stare. You so miss steps
I'm next

Go big or go home, enhancing
I seen ya'll looking, y'all glancing
I stay with a bar like Danson
I slide on the beat, I'm dancing
I came with a bop like Hanson
This flow ain't free. No lancing
Put on a dope show like Manson
I been it, I'm chancing
I came with a bop like

Hope they know that he's got HITS
Like fake I.D.s on ya campus
Set my sights, give 'em fire all night
OK. Like this is what camp is

OK. Shout out Gambino
Y'all went M.I.A. like Marino
Oh, y'all got jokes but y'all don't rap
Y'all act and talk. Santino

Fam. All I need. Then I get to the bread
I got a lot of people capping. They don't get to my head
Ayo. I stuck to a dream like stick to the bed
Suppose for those who forget what I said

I said what I said, when I said, "I meant it"

That space in your head. Go ahead. I rent it
That fee for me. That's free. Ain't spent it
See what I meant. I'm cemented

Go big or go home, enhancing
I seen ya'll looking, y'all glancing
I stay with a bar like Danson
I slide on the beat, I'm dancing
I came with a bop like Hanson
This flow ain't free. No lancing
Put on a dope show like Manson
I been it, I'm chancing
I came with a bop like
