

Happy Here

Hendersin

Maybe I'm psycho
Maybe I'm a little out of touch
Maybe I'm delusional
Or a shot glass away from insane
Maybe I'm foolish
Maybe I'm disconnected from all of reality
But that's fine with me
Cause I'm happy here

Yeah they said I had a bad plan
Don Draper they said I was a mad man
But what would of happened if Henny just had ran?
Had money on my mind before Capitol ever had Sam
Yeah, and what I did they wouldn't dare it
I had a vision they just wouldn't share it
Now it's all good because most sound generic
And my flow dope like cocaine you would think it's Eric's
I mean Henny off his rocker
Yeah I'm in this bitch so I know that it's a shocker
Nothing I can't handle take a gamble no Procter
Til we far, in the D.R. like a doctor
And you can say I got some screws loose
But I'm probably gonna chuck up the deuce deuce
I'm headed towards my goal like a hockey puck
If you think I'm crazy lock me up, maybe I'm Psycho

Maybe I'm psycho
Maybe I'm a little out of touch
Maybe I'm delusional
Or a shot glass away from insane
Maybe I'm foolish
Maybe I'm disconnected from all of reality
But that's fine with me
Cause I'm happy here

I'm jumping off the cliff if you say I can't fly
You try to kill my dream's Ima say they can't die
Because time is money and I know you can't buy
I wish a hater would you should probably camp by
Against all odds I was never good at math though
Not to mention where I from yeah I'm a Mass Hole
Trying to chase dreams they sleeping on me its a hassle
Borats tryna be the king of the castle
I love the doubters, the always just talk about-ers
Staying local, social never making it outers
Stop trying to make me look like I ain't a sane one
Just because I'm real and I'm repping where I came from
Because we both have a life, its not the same one
And my real last name is where I get my name from
I'm headed towards my goal like a hockey puck
If you think I'm crazy lock me up, maybe I'm Psycho

Maybe I'm psycho
Maybe I'm a little out of touch
Maybe I'm delusional
Or a shot glass away from insane
Maybe I'm foolish

Maybe I'm disconnected from all of reality
But that's fine with me
Cause I'm happy here

I remember I told them like
Six years ago
I'm gonna make a lot of money from this music shit
Like, hundreds of thousands of dollars, sign a deal
Six years later, I did that shit
And they still looking at me crazy now
Cause I told them Imma make millions baby
But that's fine with me cause I'm happy here
