

# I.D.K.

Hendersin

You're a gift, not a curse, I ain't talking that profanity  
Know you're the reason that I still have my sanity  
Thinking you're the reason that I really found the man in me  
Can't wait 'til we find a place that we have planned to be  
Let me be your shelter, baby, let me be your canopy  
I just wanna give you everything that you demanded me  
Had to grab a hold of all the love that you've been handing me  
I'm on cloud nine, no landing me

Life is wrong, you make it right  
In the shadows, you're the light  
You're the day to my night, it's true  
You fix me every time I break  
Make me dream when I'm awake  
Every day is a mistake without you  
And I don't know what  
Don't know, don't know, don't, don't know  
Don't know, don't know, don't, don't know  
Don't know, don't know, don't, don't know  
I don't know what I'd do without you  
Don't know, don't know, don't, don't know  
Don't know, don't know, don't, don't know (Oh no)  
Don't know, don't know, don't, don't know  
I don't know what I'd do without you

Yes, we found a love, no they never did predict it  
You met me when I used to drink too much, I used to mix it  
'Cause I got something in me that just make me so addicted  
And you know that about me so it got you so conflicted  
But you have loved me every day, despite that  
When I wanna quit on life, you make me fight back  
When I lose focus, you give my sight back  
The light when the world gets quite black

Life is wrong, you make it right  
In the shadows, you're the light  
You're the day to my night, it's true  
You fix me every time I break  
Make me dream when I'm awake  
Every day is a mistake without you  
And I don't know what  
Don't know, don't know, don't, don't know  
Don't know, don't know, don't, don't know  
Don't know, don't know, don't, don't know  
I don't know what I'd do without you  
Don't know, don't know, don't, don't know  
Don't know, don't know, don't, don't know (Oh no)  
Don't know, don't know, don't, don't know  
I don't know what I'd do without you  
  
Don't know, don't, don't know  
Don't know, don't, don't know (Ow)  
Don't know, don't, don't know  
Don't know, don't, don't know  
Don't know, don't, don't know (Ow)  
Don't know, don't, don't know  
(You, you, you, you, you, you)

Life is wrong, you make it right  
In the shadows, you're the light  
You're the day to my night, it's true  
You fix me every time I break  
Make me dream when I'm awake  
Every day is a mistake without you  
And I don't know what
