When you love someone, you've gotta trust them  
There's no other way  
You've got to give them the key to everything that's yours  
Otherwise, what's the point?

Yeah  
Haha  
Ummm, I just thought that  
I take this time out to  
Express  
How I really feel  
Yeah  
Uhhumm  
Here goes nothing

They say time flies, yeah its so true  
I remember back when I didn't know you  
I was with my ex girl from oh-two  
Crazy to thinking about the things we had to go through  
To get to this place that we at, a place of understanding I stay as a fact  
No chiroprac, but I still got your back  
Started this with baggage, we both had it pack  
You had ya ex man, and he played you, I had my ex girls they would trade too  
We had to stay real, we had to stay true  
Didn't want each other doing the shit that they do  
I bet your friends focus on what I've done wrong  
But I also bet they single, one song  
Just a Def Jam tell 'em you don't listen  
When they take shots just tell' em what they missing

Oohh (yeah) she's like an open book  
I sat and read it all  
And understand that when I slip I fall  
And oohh she's like an open book  
I passed the pages through  
And in the end I'm always back with you  
Oohh she's like an open book  
I sat and read it all  
And understand that when I slip I fall  
And oohh she's like an open book  
I passed the pages through  
And in the end I'm always back with you

When we break up it's something they all heard  
When we try to fight this like Wahlberg  
But my boy like I know you gone call her and end up back together like tryin  
' see who taller  
Yes I tried to leave, because I couldn't believe or even consid what love yo  
u could achieve  
Without somebody lying trying to deceive  
In the end yup, I also came back, oh... Anderson  
Now we on the same track, ...so childish, you so styolish  
End of the night I put it on you like a stylish  
Now its time for bed so you lay there, you got my heart girl promise you gon  
e play fare  
And my love I hope it will remain you, I don't need to sleep because my drea  
m already came true
