Hendersin

You know it ain't easy  
For these thoughts here to leave me  
There are no words to describe it  
In French or in English  
'Cause diamonds they fade  
And flowers they bloom  
And I'm telling you  
These feelings won't go away

I'm talking success, wish that it could suck less  
Dollar out of 15 cents but I got a buck less  
Been a starving artist like fuck it I need some food  
I'm just try not to get screwed, 'cause the industry's a fuck fest  
And I'm a ruler that got a chip on his shoulder  
The size of a boulder really just a price I'm getting older  
If I told ya I hold the keys to my destiny  
Would you say I'm the answer and tell me would you just question me  
And fuck your scrutiny like it's just you and me  
And I don't like the hand they dealt, it's not suiting me  
And I remember back when [?] recruited me  
But now I'm moving in, on ecstasy I cause a mutiny  
Yeah, it's my time so I know you're late  
And I got hunger for more, so I don't wanna wait  
I know the past but really I don't know today  
And now I understand why these feelings won't go away, yeah

They've been knocking me sideways  
They've been knocking me out lately  
Whenever you come around me  
These feelings won't go away  
They've been knocking me sideways  
I keep thinking in a moment that  
Time will take them away  
But these feelings won't go away

Don't wanna fade away, fuck it just tryna pave the way  
The Monday of September 'cause everyday is late for day  
And I been focused like Ford, so every time I record  
I'm thinking damn, well I just can't effort to  
To lose another friend, to fight another fight  
To work another day, stay up another night  
And I was left behind so now I'm not living right  
We all get a chance to shine but now they not giving light  
At least not to me, I'm feeling like they got to see  
The potential I had like the parents who adopted me  
Now I walk around my 9 to 5 so awkwardly  
My smile's in denial like a trial they been mocking me  
At least they got to be, I think this life is got to me  
But I should feel blessed 'cause at least I got a pot to pee in  
And really I don't know what to say  
And now I know why these feelings won't go away, yeah

They've been knocking me sideways  
They've been knocking me out lately  
Whenever you come around me  
These feelings won't go away  
They've been knocking me sideways

I keep thinking in a moment that  
Time will take them away  
But these feelings won't go away

You know it ain't easy
