

## The Question

Hendersin

Do you love me? Well, let me know  
If you don't, well, just let me go  
Fear cannot be why I stay  
Just say the word. I'll be on my way

Do you love me? Well, let me know  
A simple question. It's "yes" or "no"  
If you need me then I will stay  
Say the words and I'm on my way

We're talking in circles and I'm getting dizzy now  
We are at a crossroad. I'm feeling like bizzy how  
Could you not ever wanna question intentions?  
Ya making something outta nothing into inventions

You never mentioned that I was the one. See. Ain't talking pajama  
And we was on a run. Maybe this is the comma  
Friends with ya dad. I'm cool with ya mamma  
And we was dedicated like Wayne and drama

Do you love me? Well, let me know  
If you don't, well, just let me go  
Fear cannot be why I stay  
Just say the word. I'll be on my way

Do you love me? Well, let me know  
A simple question. It's "yes" or "no"  
If you need me then I will stay  
Say the words and I'm on my way

Say you love me

Wow. At least say it with some gusto  
I mean for real 'cause you're talking 'bout us. So  
Don't wanna stay a 100 feet away. A bus? No  
Now it's no inheritance 'cause where the trust go?

There I go again just poking fun at it  
If you got a problem, you should run at it  
I'm gonna be the Usain of pain. I'm losing the sane  
I'm wondering if you feel the same

Do you love me? Well, let me know  
If you don't, well, just let me go  
Fear cannot be why I stay  
Just say the word. I'll be on my way

Do you love me? Well, let me know  
A simple question. It's "yes" or "no"  
If you need me then I will stay  
Say the words and I'm on my way

Say you love me

What doesn't kill you only make you stronger. Ya know?  
Long story short: only make it longer and so  
I'm trying to nip this in the B.U.D.

It got freaky last Friday but believe you me  
I'm not trying to be with you just 'cause I know you like the back of my hand  
We got more baggage then the back of a van  
At least we don't believe the rumors  
I think it's old like a boomer  
I think we're just buying time. Consumer

Is it too much to share?  
That I don't want you there  
I don't think that I care  
Anymore

Is it too much to bear?  
Is it too much to share?  
I don't think that I care  
Anymore
