Tip Top

Hendersin

I take over, that's a mood
I expose 'em, they so nude
I don't give a "F", yeah, that's so prude
I eat beats, that's my food
Hotter than a candle, that's on wax
Railroad flows, tracks on tracks
Workin' hard to get my plaques
Hetero truths, that's straight facts

Yes, they thought that I was done
And they thought that I would run
I said no, no, no, no
No, no, no
Yes, I had a whole lot more
And I kept it all in store
Time to show, show, show, show
Show, show, show
I've been getting in tiptop, tiptop, tiptop shape
I've been getting in tiptop, tiptop, tiptop shape
I've been getting in tiptop, tiptop, tiptop shape
I've been getting in tiptop, tiptop, tiptop shape

I'm 'bout to kill this shit again
I'm an MC just like Ren
Do a big town like I am Ben
Why you tryna be my friend?
There's no need to pretend
And the grind will never end
'Til they all get the message, this me hittin' send
Yo, yo, yo
They get bitter, I get better
I'm gonna give up half-past never
He is me-me-S-T every single time I do it to the letter
Gotta be clever, every endeavor
Faith, I show it, Daily Trevor
You can hate, I can't relate
'Cause I don't care whatsoever

Yes, they thought that I was done
And they thought that I would run
I said no, no, no, no
No, no, no
Yes, I had a whole lot more
And I kept it all in store
Time to show, show, show, show
Show, show, show
I've been getting in tiptop, tiptop, tiptop shape
I've been getting in tiptop, tiptop, tiptop shape
I've been getting in tiptop, tiptop, tiptop shape
I've been getting in tiptop, tiptop, tiptop shape

Tiptop, tiptop, tiptop shape
I've been getting in tiptop, tiptop, tiptop shape
I've been getting in tiptop, tiptop, tiptop shape
Tiptop, tiptop, tiptop shape, hehe
