

# Worthless

Hendersin

Do you remember last September?  
That's when all this really started  
I will wake up in time you take up  
And I always end up broken-hearted  
I try not to, but I got to  
See what's going on  
Today  
You make me feeling inadequate  
Make me wanna go to the party then matter  
When you make me feel that I just don't do enough (do enough)  
You make me feel like I am never with you enough (you enough)  
But I'm pacing my mind, erasing your shrine  
And every chase I seem to find  
You're a waste of my time  
You're relentless and you're ruthless  
When I'm with you, I just don't know what the truth is

Because I feel like I have no purpose (purpose)  
And from you, now I am the furthest  
And I know that no one deserves this (deserves this)  
But you make, make me feel so worthless (worthless)  
I'ma tell you what they told me  
Cash rules every little thing around me  
Get them dollar, dollar bills y'all  
(Dollar, dollar bills, y'all)  
Dollar, dollar bills, y'all  
(Dollar, dollar bills)  
And I'ma tell you what I see  
The best things in life  
They are free  
It is not real y'all  
(It is not real, y'all)  
It is not real, y'all  
(It is not real)

You make me feel ugly, like they don't love me  
And everybody's doing better  
Kinda funny, you're supposed to  
Bring everyone together  
And I'm in this fight 'cause all these dislikes  
And all these comments are way too much for me to take  
You make me depressed, you make me feel stressed  
You make me feel like I should show off that I'm blessed  
You make me think that I am losing fans every second I guessed  
And I will always be second, at best  
I'm screaming, "Fuck the rest"  
Fuck every single thing I created  
And fuck the things I used to love  
Now it feels like I hate it  
And fuck these people, say they love me  
Yeah, it seems like I'm jaded  
But being always under review is way overrated

Because I feel like I have no purpose (purpose)  
And from you, now I am the furthest  
And I know that no one deserves this (deserves this)  
But you make, make me feel so worthless (worthless)

I'ma tell you what they told me  
Cash rules every little thing around me  
Get them dollar, dollar bills y'all  
(Dollar, dollar bills, y'all)  
Dollar, dollar bills, y'all  
(Dollar, dollar bills)  
And I'ma tell you what I see  
The best things in life  
They are free  
It is not real y'all  
(It is not real, y'all)  
It is not real, y'all  
(It is not real)
