

Synthetic Limits

Hentai Corporation

Yeah!
Synthetic Limits!
Wake pristine metastructures inside you

Kill
The darkest premise!
Break vicious chains, discover the primal truth

All we ever wanted is not hidden on the other side
All we ever needed is inner light
Wake up extinct minds! Burn fast! Stone the dark!

Heeey!
Pathetic misfits!
Feel a hallowed presence and then cross the line

Yeah!
Disordered phases!
Embrace those networks of a precious life

All we ever wanted is not hidden on the other side
All we ever needed is inner light
Wake up extinct minds! Burn fast! Stone the dark!

Break
Shattering limits!
The only way to final reflection

Grab
Your molten morale
Let consciousness be much more gracious state

All we ever wanted is not hidden on the other side
All we ever needed is inner light
Wake up extinct minds! Burn fast! Stone the dark!

I swear I won't be plastic prey
I usurp Master's DNA
Oh Lord, Oh Mother, Lucifer
You're here, I feel it. I'm with you!
