

Lovin' Man

Hepcat

From the Day I was boooorn, (ooo, ooo)
I was born to be your lovin' man, (lovin' ma-an)
And to all that I love, (ooo, ooo)
I was born to be the best I can (the best I can).

I will say to you,
Words of devo-tion,
And the truth flows free in my eyes.

Only love can softly deliver,
That feelin' that you feel inside,
I was born to love you, (I was born to love you)
I was born to love you, (i was born to love you)

If you do me wrong, (ooo, ooo)
I will still be your lovin' man, (lovin' man)
'Cause its in my nature (ooo, ooo)
To give you all the love I can, (the love I can)
I hear your love strengthened by virtue,
Unconditional, free as a bird.

Only love can softly deliver,
What I try to give, with these few words,
I was born to love (I was born to love you)
I was born to love you (I was born to love you)

From the Day I was boooorn, (ooo, ooo)
I was born to be your lovin' man, (lovin' ma-an)
And to all that I love (oo oo)
I would fight to be the best I can (the best I can).

I will say to you,
Words of devo-tion,
And the love flows free in my eyes.

Only love can softly deliver
That feeling we feel inside
I was born to love (I was born to love you)
I was born to love you (I was born to love you)
