

## Help Yourself

Herbie Hancock

Walk into my life, that's alright  
There's no one else  
Takin' up all my time, I don't mind  
Help yourself  
Got a little lovin' planned, I'm your man  
Ain't no one else  
Takin' me for a ride, my my my  
Help yourself  
Sure as the sun keeps risin'  
I'll be by your side  
You know I will  
But I can't be your silver linin'  
If you can't help yourself  
You can't wait on anybody else  
Help yourself  
You can't wait on anybody else  
Come on, help yourself, ah  
You can't wait on anybody else  
You have got to help yourself  
You can't wait on anybody else  
Help yourself  
You gotta help yourself  
You gotta help yourself  
You gotta help yourself  
Comin' on witcher games  
Got no shame  
I'll help myself  
Can't leave your body alone  
Got to have it all  
I'll help myself  
Well, you can draw your own conclusion

But it's got to be at least an even bet  
We could eliminate confusion  
If you'd just help yourself  
You can't wait on anybody else  
Down baby, help yourself  
You can't wait on anybody else  
You'd better help yourself  
You can't wait on anybody else  
Help yourself  
You can't wait on anybody else  
Help yourself  
Sure as the sun go rise  
I'll be right there by your side  
You got to help yourself  
But I can't be your silver linin'  
If you don't help yourself  
You can't wait on no one else  
You can't wait, help yourself  
You can't wait on no one else  
Just can't wait, help yourself  
You can't wait on anybody else  
Gotta help yourself  
You can't wait on anybody else  
You gotta help yourself  
You can't wait on anybody else

Help yourself  
You can't wait on anybody else  
Help yourself
